## What's New?

### Remember to wash your hands

Thank you all for your continued commitment to Patriot Construction as we adjust to a new normal.

### Announcement:

We are happy to announce that we have received our PPP funding. With that in place, Greg has decided to reimburse all employees with the PTO days that they had left prior to the mandatory statewide shutdown. Thank you all for your patience during this difficult time.

### COVID-19 Response Plan:

In order to be safe and maintain operations, we have developed a COVID-19 exposure prevention, preparedness and response plan based on the current information available from the CDC and OSHA. Please see their preventative instructions below:

- Frequently wash your hands with soap and water for at least 20 seconds
- Avoid touching your eyes, nose, or mouth
- Every person present at a work site must wear a mask/face covering
- Perform social distancing unless the safety of the public or workers require deviation

## 2020 Patriot Fishing Trip

Last July, Patriot left shore for its first annual fishing trip out of Cape May, NJ. The weather was beautiful and the competition between who would catch the first fish was fierce.

Adam Kuhn was the big winner and took home a trophy and cash prize for his winnings.

His bragging rights are coming to an end as we gear up for this year's fishing trip.

Although the timeline is unknown as of right now, Patriot plans to host another trip as soon as is possible.
