APRIL 2021

BACK INTO THE SWING OF THINGS

What's New?

Thank you to everyone for their participation in the 1-1 employee evaluations. This was a successful initiative and your feedback was very helpful.

Our hope is that these meetings were equally as beneficial to you as they were to us.

New Projects and Developments

Project Updates:

Currently, our PMs are coordinating to schedule photos of our recently completed job sites. These should be up on our website shortly.

We are fortunate to have recently been awarded six new projects at Villanova University. Go Wildcats!

Additionally, our team just landed a full-floor fit-out project at 40 Monument Road.

Hats Are Restocked

Back by popular demand, Patriot baseball hats have been restocked and are available at the office. Jay will also have some on the truck.

Similarly, everyone should have received a new 20th anniversary edition t-shirt. If you have not, please let us know.

Also, we are looking for suggestions for any new Patriot gear. We'd love to hear your ideas!

Lastly, this upcoming June marks our official 20th anniversary date.

While we are hopeful that we will be able to gather together to celebrate, we intend to monitor the COVID situation and plan accordingly. This is also true for our annual fishing trip. More details will be announced as the date gets closer.

Finally, we are working on pulling together an MEP blueprint reading class, so stay tuned. If interested, please email Mackenzie so that we can get a total headcount.

If there's a topic that you want to learn more about please let her know via email.

This project is located in Bala Cynwyd and will use union labor.

Also, we were awarded the 18,000 SF McCarthy fit-out in Blue Bell.

We are in the process of working with an owner and architect on a 4 million dollar renovation of an assisted living facility in West Chester. This project is likely to begin during the 3rd or 4th quarter of this year.

"Best Places to Work" contest.

In order to be eligible, a majority of our employees must complete the survey. If you have not done so, please fill this out ASAP.

Lastly, we have been added to a growing number of bid lists. We hope to continue to win projects and expand our network.

Business Developments:

We recently entered in Philadelphia Business Journal's
